1. I understand that the published price is the selling price of the lots entered "as shown". There will be no misleading or confusing price. If I am disqualified due to a price discrepancy, I will not be allowed to submit entries in the next event.
2. My development will have a staffed location on site that will be open to the public during ALL of the Parade hours, October 16, 17, 23 & 24; 1:00 – 5:00pm.
3. I agree to offer my Parade lots for sale for NO MORE than the advertised price for 60 days after the Parade is over. I understand that failure to do so will result in a one-year suspension from Parade participation.
4. A Parade entry proof will be returned to the Builders Association within their established deadlines. If a proof is not returned within the allotted time, I understand that BAGI will not make additional attempts to contact me. If I fail to submit timely changes to my proof, any mistakes printed in the publication will be my responsibility.
5. I agree that all information on the Parade forms will come from the developer and will be my responsibility. No information is to be dispensed by a Realtor or agent. I can be reached during business hours at the number listed at the end of this form.
6. I agree to carry liability insurance on all of my Parade developments from October 15 – October 25, 2010. I understand that a copy of this certificate of insurance is a requirement of entry and will be submitted by 9/24/2010.

I agree that all damages due to errors or omissions concerning my development(s), the maps, or my firm, in the Parade marketing materials, or any related advertising, press releases, etc., are limited to a maximum of a refund of my Parade entry fee. I agree to call any errors to the attention of the Parade of Homes Committee, in writing, by Monday, October 18, 2010.

WEEKEND DIRECTIONAL SIGN GUIDELINES

In many municipalities the use of weekend directional signs have been prohibited because of the perception of the over use of these signs. However, most municipalities realize the importance of these tools to the building industry and have allowed a continued moderate use of weekend directional signs. In an attempt to ensure the privilege of using weekend directional signs to continue, the BAGI Board of Directors has adopted the following guidelines. These guidelines do not circumvent local laws regarding weekend directional signs. Wherever such laws exist it is important that the users of weekend directional signage comply with local laws.

I. As a commitment to membership in BAGI every builder, interim builder, developer and sign company (hereinto referred to as "member") who use or erect weekend directional signs shall sign this commitment form and agree to the following conditions:

1. Size of sign shall not be larger than 2'x2', or 4 square feet. *Exception:* Signs with more than one builder/developer or subdivision may not exceed 2'x3', or 6 square feet. Total number of signs per public intersection per builder/developer name shall be limited to (1) one sign per corner and (4) four signs per intersection outside of the subdivision where community is located. *Exception:* builder/developer who has more than (1) one community in different directions from the public intersection shall be allowed (2) signs per corner.
2. Signs should be placed more than 50' from the intersection.
3. Total number of signs per builder/developer per subdivision are limited to 25 signs.
4. No marketing riders shall be attached to the sign.
5. No signs shall be placed on highway intersections.
6. Signs shall not be placed on defined high traffic intersections.
7. Condition of signs shall be professional and well maintained.
8. Signs shall be erected on weekends from Friday p.m. to Sunday p.m.
9. Total number of signs per builder/developer name shall not exceed two (2) signs per mile per direction on any road straight away.

II. Any BAGI builder, interim builder, developer and sign company member who use weekend directional signs, but does not comply with the aforementioned guidelines will be notified of his/her non-compliance by the following means:

1. BAGI staff contacted by public or member of the Association.
2. Volunteer board member contacted to confirm infraction.
3. If violation exists member will be notified of infraction by letter/call from the CEO of the Builders Association of Greater Indianapolis.
4. If violation is not corrected or another infraction occurs letter/call goes out to member from the CEO of the Builders Association of Greater Indianapolis.
5. The member understands that non-compliance with these commitments or a large number of complaints against the member may require that the member address the BAGI Board of Directors. The Board may impose sanctions on the member. Those potential sanctions may include, but are not limited to eliminating membership privileges and/or expulsion from the Association.
