

Matt Beecher, Matt Beecher Builders

1. I want to continue to help the custom builders in the Indianapolis area grow their businesses, have places to build, and set themselves apart from all the others. As a whole, I want to continue to improve the reputations of all our members compared to all the non-members in the area.
2. Very similar to answer 1. I would like to continue to influence and shape the direction of BAGI as it heads into the future.
3. I am a current board member, and have been for 2 terms. We are currently in the Home A Rama in Sagamore, and I have been on the local Johnson County board for over 10 years.
4. I am the owner/president of Matt Beecher Builders and Developers, Inc. I enjoy playing and watching all sports, vacationing, and being with my family.
5. The shortage of places to build is quickly becoming a major issue. I believe that groups of builders and work together with BAGI's help to develop small neighborhoods. This will help give small and medium sized builders places to work for years to come.
6. A lot of my friends have developed out of the building industry. I have been in it for a long time now, and have enjoyed watching the changes as they have come and gone
